

Guess the object!

Our camera has broken and can only take close up photos of objects. Now we can't identify what the objects are! Can you help us to work out what these photos are showing? They are all objects that are on display within the museum.

Clue: A Dagenham farmer wore me for special holidays

Clue: I marked the resting spot of this ancient man

Clue: I was used to catch fish by a famous Barking fleet

Clue: I told people how big their babies were

Clue: If people were sick, I helped their lungs to heal

Clue: I helped people choose a new way of seeing
